We will be having a 6-week summer program beginning June 17 and ending on July 25. All sessions will be taught by Melinda Piña, credentialed Reading Specialist. Each grade level will meet once a week for 90 minutes. The cost for each 90-minute session is \$75. I understand many families will be taking some vacation time. Your child does not have to attend every session so you only pay for the sessions they will be attending. The summer sessions fill very quickly but current students have priority. With that in mind, if you are interested in having your child attend the summer program, please fill out the form below and return it to me as soon as possible so I can reserve a space for you. Full payment is due (cash or check) at the first class session your child attends.
