

Piña Reading Academy

2026-2027 School Year Registration

Dear Parents,

I hope you and your family have enjoyed a wonderful summer! It has been a pleasure working with your children, and I am looking forward to another exciting year of learning at **Piña Reading Academy**.

Our **regular school-year schedule** will begin the **week of August 24**. During the year, students will continue to receive engaging instruction designed to strengthen their reading, writing, comprehension, phonics, vocabulary, and math skills in a small-group setting. **Reminder: Students are placed in classes based on their individual academic skill level rather than their current grade level to ensure they receive instruction that best meets their learning needs. If your child is not working at grade level yet, please don't register them for that grade level.**

Please review the class schedule below and complete the registration form. The cost for each session is \$50. Returning the form as soon as possible will reserve your child's space for the upcoming school year.

Thank you for allowing me to be a part of your child's educational journey. I look forward to another successful year of helping every student reach their full potential.

Warmly,

Melinda Piña, M.Ed.
